

MNCs – how can they affect the host country?

5. Why do you think Mazabuka in Zambia calls itself ‘the sweetest town in Africa’?
6. Divide an A4 sheet of paper into four. In each quarter draw a picture to illustrate each of the following people, and give them a speech balloon to show what they are likely to think about Zambia Sugar’s tax-avoidance:
 - a. A cane-cutter at Mazabuka
 - b. A director of ABF in the UK
 - c. A Zambian government minister
 - d. A Zambian taxpayer

In each case make sure they justify their thoughts.
