General directions:

- You will see 50% of the group every week.
- Slots of 5 minutes, two boys per slot.
- You cannot set homework :-). Every session must be self-contained.
- If you are going to be absent, you must e-mail jlt or fcm@bws.wilts.sch.uk to warn.
- If you want to discuss tasks or ideas, ask the Prefect first and together you can work it out. The idea behind the project is that the Prefect's Team works independently, and teacher input is reduced to providing topic and question batteries (unless something specific needs being done!).

What **do** I do during my session...??? In order of priority:

- Teacher's request:** students practice a presentation, etc. Ask the teacher in charge whether there's something in particular for you to do.
- Your Own Activity:** as long as it is linked to the topic and it involves talking, it's ok. Vocab, conversation, pictures, etc....
- List of questions:** you can use this at any time. They will be accessible in O:\Spanish\Assistant and in the **Homework Browser**.
