# Setting Targets for Writing

Explain every target and add one or two examples

## Content

*Did you complete all  
tasks and write enough?*

*Was one the tasks too  
thin?*

*To avoid unclear bits: re-  
read and translate back*

--

Write (samples of) what  
you could have added

## Quality

*Did use everything on  
the checklist?*

*Could you have used  
more of every item (i.e.  
tenses) for variety?*

*Unnecessary  
repetition?*

--

Write examples of how  
you could have used  
the missing items or  
the items that you  
could have used more

## Accuracy

*Have you spotted any  
patterns in your  
mistakes (tense  
endings, accents, etc.)?*

--

Rewrite words that you  
spelled words  
Write verbs that you  
got wrong in a new  
sentence
