Bishop's topped their group with three wins out of four games, qualifying for a quarter-final against the current holders, Bristol Cathedral School. Victory led to a semi-final against Bristol Grammar School and a good performance secured a place in the final against Gillingham School. The final finished level at the end of extra-time, so progressed to penalties to decide the winners.

The Bishop's team gave an excellent account of themselves. Being runners-up is often the worst place to come, especially for the second year running, but finishing second out of twenty teams is a real achievement.
