

BISHOP WORDSWORTH'S SCHOOL

ATTENDANCE POLICY

Definitions

1. *'Parent(s)' includes guardian(s) or any person who has parental responsibility for the boy or who has care of him.*
2. *'Is to', 'are to' and 'must' are obligatory. 'Should' is not obligatory but is best practice and is to be adhered to unless non-compliance can be justified.*

PREAMBLE

1. Staff and governors strongly believe that in order for pupils to be successful, they need excellent attendance. Good attendance is inextricably linked to good student behaviour and effective teaching and learning. Moreover, regular attendance and punctuality at school is important for the future prospects and well-being of pupils. To this end, all pupils' attendance is to be monitored carefully and action taken should problems arise.
2. **Education Act 1944.** 'Every parent of every child of compulsory school age has a duty to ensure that he/she receives efficient full time education suitable to his or her age, ability and aptitude, either by regular attendance at school *or otherwise*'.
3. **Objectives.**
 - a. Promote good attendance and punctuality.
 - b. Ensure all members of Bishop Wordsworth's School (the School) community understand their role in promoting good attendance and punctuality.
4. **Roles.** The School seeks to work in cooperation with parents to encourage regular attendance within the School. There are clear roles for all involved in good attendance – pupil, parents, tutor, subject teacher, Heads of School, Pastoral Support Officer, SENDCO, School Nurse, Education Welfare Service (EWS), Leadership Team and the link Governor.
5. **Attendance & Punctuality.** The School seeks to encourage good attendance and punctuality through tutorial work and assemblies.

POLICY

6. Pupils are required to attend school in accordance with current legislation.
7. During the term time the official opening time of school each weekday is from 8.40am to 3.50pm. Parents are expected to inform the School of the specific reason for non-attendance by telephone, e-mail or via Insight on the first day of absence and every day of absence thereafter. The School reserves the right to request a signed letter from a parent to confirm the reason for absence.

REQUESTS FOR ABSENCE DURING TERM TIME

8. Leave of absence during term time may not be granted unless in exceptional circumstances: absence for family holidays is specifically not permitted.
9. Parents are reminded that any requests for leave of absence should be made within the terms of the Home-School Partnership Agreement and that there is good evidence for a direct link between attendance and educational attainment and progress.

PROCEDURE

10. The Attendance Register is taken by the tutor at the beginning of each morning and in the afternoon is completed automatically from lesson monitor data from period five. Pupils are marked as present or absent. The Receptionist will telephone the parents of any pupil who arrives in School later than 0910 to confirm the reason.
11. Lateness is recorded with a distinction between lateness before and after registers close (authorised and unauthorised) (see Annex A).
12. Class teachers should record and follow up any absence from lessons.
13. Registers are checked daily by the Receptionist.
14. The Receptionist is to telephone the parents of any pupil who is absent for whom an email, a telephone call on the 'absence' line, an 'Insight' notification or other acceptable notice has not been received by 9:30 am to find out the reason for absence.
15. Once the reason for the absence has been established the appropriate symbol is to be inserted in the Register (see Annex A). The Receptionist is to complete appropriate codes for absence. If no valid reason can be given for absence it is to be recorded as unauthorised.
16. If there is reason to believe that a pupil may be truanting, the circumstances are to be investigated immediately by the relevant Head of School (or their deputy).
17. Pupils who truant are to be punished through use of an appropriate sanction.

RECORDING

18. The Register must show whether an absence is authorised or unauthorised. For the symbols used to record presence or to distinguish between the categories of absence see Annex A.
19. The number of sessions and number of absences for the appropriate period are recorded on reports and published through Insight.
20. The Receptionist/ Attendance Admin Officer is to use data recorded in the registers to produce information on authorised and unauthorised absence for Years 7-11 to be analysed by the Headmaster every half term (except for the second half of the Summer term). A report is presented to Governors annually in July.

SUPPORTING GOOD ATTENDANCE

21. Reception staff are to produce monthly reports for Heads of Lower, Middle School and SENDCO of pupils with less than 90% attendance. Normally, if attendance drops below 90% for a period of time the tutor, relevant Head of School or their deputy is to contact parents to discuss any issues that may be affecting their son's attendance and any strategies to help improve this. The negative effects of this poor attendance on the pupil's curriculum and social integration is to be discussed and the tutor is to continue to work with the pupil to improve attendance. Tutors and Heads of School are to record all interventions with the family that have been taken in order to improve attendance.
22. The School may request medical evidence of illness when attendance falls below 90% and may convene either a School Attendance Meeting or a Medical Personal Education Plan meeting, to which the parents are to be invited, in order to elicit all factors affecting the pupil's attendance. Clear objectives should be set as part of the meeting with the aim of ensuring that the pupil receives the educational provision to which he is entitled. If the family declines to attend the meeting the School is to hold the meeting without them. A review meeting is then to be held at a later date to

assess if the objectives in the meeting have been met and, if they have not been, the matter is to be referred to the Education Welfare Service (EWS). From these meetings specific recommendations will be made with an agreed time scale.

23. As a last resort, the EWS has the option to prosecute parents who do not fulfil their duty to see that their children attend school regularly.

24. Re-integration Procedures.

- a. If a pupil has been absent for a prolonged illness, regular contact is to be maintained with parents and, where appropriate, work is to be sent home.
- b. Tutors are to be mindful of a pupil returning to school after prolonged absence and are to be available through tutor time to support them with catching up on their missed work and helping them to settle back into the School routine.
- c. Subject teachers are to be informed by the Head of School about a pupil's return to school and requested to advise pupils on what they need to catch up on and how best this can be achieved
- d. Subject teachers are to use the homework diary/planner or Insight to communicate with parents about missing work and forthcoming deadlines.

MONITORING

25. The Governing Body, advised by Leadership Team, will review this Policy annually.
