

Nunton Farm Field Study poster follow-up

In groups of 3-4 produce a poster to show the following aspects of Nunton Farm:

- 1. The Nunton Farm system.** Include specific details (e.g. number of workers, types of machinery, buildings, what the outputs are and where they go, etc.) and organise the inputs into Physical and Human.
- 2. How and why the farm has changed.** Use photos and text to outline some important changes that have happened and the reasons for them.
- 3. An annotated photo of the milking parlour.** Identify and describe the key features of the milking parlour that reflect the nature of modern dairy farming methods.
- 4. An annotated fieldsketch** to show the layout of the fields and farm buildings.
