Dear Parent/Guardian,

AQA 9-1 GCSE Science Revision Books

I am writing to outline the opportunity for the purchase of some GCSE Science revision guides, Exam Practice workbooks with answers which can be purchased through school at a discounted price.

Boys in Yr10 already have superb textbooks which should be the key resource used as they contain the depth and detail required to enable access to the work at the highest of grades. However, at times throughout the course, the boys are set module tests and exams and we recognise that boys find these revision resources helpful.

Your son is studying and will be examined in all three Sciences and the books can be purchased for each Science. We are able to get a large discount on these books if we order in bulk. The details and price of the books are:

Chemistry/Physics/Biology for AQA Revision Guides are £3 each (so £9 for all three)

Chemistry/Physics/Biology for AQA Workbook with answers are £3.50 each (so £10.50 for all three)
