Dear Parents/Guardians

All applications to Oxford or Cambridge universities, Medicine, Veterinary Medicine or Dentistry were submitted and reached UCAS by the 15th October deadline and the recommended submission date for regular applications for January is 4th November.

Students have received assistance and advice concerning the additional testing requirements which will be taking place on Wednesday 30th October in school, commencing at 9am promptly.

Students should arrive at 8.45am and school uniform is not required.

Mrs Glasson the Exams Officer has notified all students regarding the location of their test, which will be held in the two study rooms plus the regulations for testing.

If you have any further questions please do not hesitate to contact me.

Yours faithfully

Mrs S Armstrong
