Dear Parents/Guardians

## Year 8 Survival Night May 2020

As part of the development plan for Outdoor activities at Bishop's I am delighted to be able to offer you a new opportunity for Year 8. Working in conjunction with Paul Webb and his team at H5 Adventure we have designed a 'survival night' followed by a day of team based outdoor activities such as bridge and raft building.

The activity will be based at The Lake in Royal Wootton Bassett ([www.h5adventure.com](http://www.h5adventure.com) for more details) and will comprise of building a shelter in which to spend the night, cooking their tea on an open fire – developing from the skills introduced at the Year 7 Great Yews camp – then working through their activities the following day before returning to school close to the normal timetabled end of school day.

All food (dinner, breakfast and lunch) is included, along with the relevant equipment and instruction. The only equipment the boys would need to provide would be suitable clothing, a sleeping bag, pillow and roll mat and a bowl and cutlery.

I aim to price the trip below £100 but there will be variation based on numbers and associated logistical costs which I will confirm once I have a clear indication of interest.

If your son would like to take up a place on this trip please register your intentions via Insight, instructions below:

Registration via Insight will be taken to mean you wish to take up a place on the trip. Please visit your Insight account and click on Expression of Interest/Trip Reservations, this will open our event booking screen. Please then select the event you wish to apply for and simply click on the next available seat and your interest will be logged on our system. **There is no payment required at this stage.** In the event that the trip is oversubscribed, names will be selected at random. If your son is selected payment details will be sent to you.

## **Deadline for registration: Sunday 8 December 2019**

Your son will be covered by the school's insurance during this trip; a copy of which is available on the school website.
