13 January 2020

Dear Parents/Guardians

Year 11 Parents' Evening – Science Session – Wednesday 22 January 2020, 4.30pm, The Chapel

The Year 11 Parents' Evening will give you the opportunity to meet individually with each of your son's science teachers. In addition, on the same evening there will be a Parent Information Science Talk between 4.30pm and 4.50pm. This session will take place in the Chapel. This session will outline the following:

- the features of the remaining weeks of science lessons leading up to the AQA science examinations;
- how parents can support their sons to achieve their potential in the AQA science examinations;
- what the boys themselves should be doing to take responsibility to ensure that they achieve their potential.

Parents will be given an information sheet outlining useful information, although if you are unable to attend the session this sheet can be obtained from your son's science teacher or from your son.

I look forward to meeting you on Wednesday 22 January.

Yours sincerely

Dr Emma Baker
Director of Science/Head of Chemistry
