Dear Parents/Guardians

AQA GCSE Mathematics Practice Exam Papers and Revision Resources

We have seen that results in the AQA GCSE Mathematics exams can be dramatically improved through structured, topic based revision alongside plenty of exam paper practice.

I have therefore put together a comprehensive revision plan which the boys will start at February Half term, once the teaching of the course is complete. This plan includes notes, examples and practice questions on the key topics that many of the students find challenging, alongside the completion of full exam papers to practice applying a variety of skills with exam style questions.

Two topic based revision resources and one exam paper will be copied and distributed to boys to be completed on a weekly basis during their revision period between February and May, and a folder will be provided in which these revision materials can be stored. We will also provide additional exam papers to be completed during the Easter holidays and study leave.

I would therefore like to request a payment of £5 to cover the cost of providing these resources for your son. If this payment is not made, students will be expected to print out the resources and exam papers themselves and bring them to their maths lessons.

Deadline for payment: Friday 7 February 2020

To pay please access WisePay through your sons Insight account and select '**WisePay Finance Portal**' the item can be found under the **BWS Books and Magazines** tab.

If you have any issues accessing WisePay please email trips@bws.wilts.sch.uk. Parents/Guardians who may find it difficult to meet the deadline for payment should contact the Finance Office on 01722 333851 Option 3 (Finance).

Yours sincerely

Mrs J Barrett

Head of Mathematics, BWS
