Head Master: Dr S D Smallwood BSc (Hons) PhD NPQH

11 February 2020

Dear Parents / Guardians

## Re: **STEM**

The Science Faculty is organising a trip to the Salisbury 2020 STEM/Tech event at the Civic Centre. This will involve all of Year 9 during the afternoon of Wednesday 11 March.

The event is designed for students in Years 7-9 and aims to:

- Enable young people to find out about the exciting career opportunities in science, technology, engineering and maths (STEM)
- Bring STEM subjects to life through exhibits (including virtual reality, drones, and the Openreach Tech Bus), hands-on activities and employer talks designed to engage and inspire future engineers and scientists.

We will leave from school at 12.35 and we have arranged with the canteen that Year 9 will be able to eat lunch in the 12-12.30 lunch slot on this day.

Date	Visit to	Contribution	Details of visit	Times	Requirements
11/3/2020	Civic Centre, Salisbury	Free	Visit to the Salisbury 2020 STEM/Tech Event	Leaving school at 12.35 and returning at 2.30pm.	School attire. Pen & paper

Your son will be covered by the school's insurance during this trip; a copy of which is available on the school website. Please ensure that we have current emergency contact details and details of any medical conditions and that your son takes all necessary medication with him on this trip. These details can now be checked through the Insight Parent Portal, otherwise please contact Mrs Sarah Hayward [sah@bws.wilts.sch.uk](mailto:sah@bws.wilts.sch.uk) to update your son's information.

Yours sincerely

Dr Emma Baker  
Director of Science/Head of Chemistry
