Dear Parent

**Revision Guide Booklet**

Your son was issued with a Revision Guide booklet last week. The purpose of the booklet is to help him to reflect on the strategies he has used to revise for the Preliminary examinations and improve his revision techniques to be even more effective for his GCSE examinations in the Summer.

Your son's tutor will discuss sections of the booklet with the boys over the coming months leading up to the GCSE examinations; success in his GCSEs is not necessarily about working harder but perhaps smarter use of revision methods.

Yours faithfully

Mrs M Jenner
