

## **Bishop Wordsworth's CE Grammar School for Boys : Request for a host family**

Dear Parents

We have as usual the problem of 5 students going to Argentina , but 8 Argentinians coming over in January.

I have managed to get all of it covered except for 1 girl for 1 week!

Is there anyone who would be willing to host an Argentinian girl, aged 16 for a week ? (23<sup>rd</sup> Jan to 1<sup>st</sup> Feb 2015)

She will need board and lodging but will be expected to pay transport to and from school if applicable.

She will be with a group of 9 students who will be staying with us in Bishop's as part of the Argentinian exchange project, along with their teachers.

We have a busy programme of activities so there will be no need to look after her during the school day .

The host family would be welcome to take part in any of the activities that take place over the 2 week exchange stay period.

They all speak good English and are here to learn, so there is no requirement for a Spanish speaker in the home, although this is a great opportunity for anyone who would like to practise or improve on their Spanish.

Please let me know if you can help , and many grateful thanks in advance.

If you have any further questions , please contact me :
