

Bishop Wordsworth's CE Grammar School for Boys : Scholastic Book Club

29 January 2015

Dear Parent

Scholastic Book Club

An easy and affordable way to buy some great books is to order from the Scholastic Book Club. Books for all ages from babies to teenagers are available.

We have set up the latest school group order online. This means you can now order the full range, not just those on offer in the Teen Book Club leaflet distributed to Year 7 and 8 boys.

Orders can be placed by **all** parents, not just those with boys in Years 7 and 8.

Online orders need to be placed by **Friday 27 February**. After that date the orders will be confirmed and the books delivered to school for us to hand out. If you are buying a present for your son, please get in touch with us to arrange an alternative means of collection. For every £1 spent, 20p goes back to the school to spend on books for the library!
