

## **Bishop Wordsworth's CE Grammar School for Boys : message from the BWS Library**

12 February 2015

Dear Parents

Now that Christmas is over and we can look forward to Spring, we are putting out an appeal for books which were given as Christmas presents but which, having been read, are unlikely to be read again! Necessary budget cuts have meant that the BWS Library is unable to purchase as many books as in previous years.

We would be extremely grateful to receive donations of good quality, teenage and adult titles. The boys generally enter the school with quite a high reading age and our space is limited, so we wouldn't be able to use books aimed at younger children.

Books could be sent in with your son or left at Reception, clearly marked that they are a donation for the library.

We hope you understand that any books that we are unable to use will be kept for school fundraising or passed on to a charity, rather than returned to the donor.

Thank you.

The Library Team
