

Bishop Wordsworth's CE Grammar School for Boys : Digger required - are you able to help please?

Digger Required by BWSPA to Help Lay Scalpings at BWS Playing Fields

The BWSPA are looking to fund the purchase of hard core/scalpings to make good the entranceway and track onto the playing field at Britford Lane. Winter weather and general wear and tear over the last couple of seasons has made it increasingly difficult to drive onto and out of the playing fields for spectators - as anyone who has driven down there will know.

Are there any parents out there that have access to a digger - for free or at cost - to help out over a morning or afternoon to lay and compact the scalpings. Any help would be much appreciated. It is anticipated the work will be done some time in May once the ground is drier.

You can contact us at bwspa@bws-staff.org.uk or call Kate on 07867 893 172

Many thanks,
The BWSPA
