Dear Parents

A student from Bishops has had his mobile phone stolen from out of his hand, whilst using it, as he was walking from school towards the railway station along Fisherton Street. The police are taking the matter very seriously and have asked us to ask you to warn your sons and pass on the following advice:

Students must be vigilant on their way to the station and NOT walk alone.

Students should refrain from using their phones publically, including playing games, as this makes them unaware of their surroundings (traffic included).

Be aware that wearing earphones when walking also increases vulnerability.
