Dear Parents and Carers

We will be collecting the Chemistry textbooks in from years 7, 8, 9 and year 10 class B and class E next week. The plan is to then promptly re-issue them with the appropriate book to support their studies during the remainder of this year along with the next academic year.

We would really value your help in encouraging your son to locate their book for prompt return next week so that this administrative task can be undertaken as efficiently as possible.

Kind regards

Dr Emma Baker

Director of Science
