Dear Parent/Carer

The lakes are well stocked and the weather looks favourable at the moment!! So everything is in place for a great trip on Thursday.

Some final details for you. Boys should come to school for a normal morning timetable but they can come changed in their fishing gear.

It is supposed to be lovely day and sunny so shorts will be fine plus a t-shirt.

Pack something warm and a waterproof (just in case).

Sun protection will be a must along with a hat.

Sunglasses preferably (helps to spot the fish) or normal prescription eyewear must be worn as to protect the eyes if there happens to be some wayward casting.

If any boys do happen to have their own fly fishing tackle, then they are free to bring it with them. They can bring it to the Sports Hall for storage first thing.

Bring a packed lunch and plenty of fluids. Boys will be able to buy snacks and drinks there if required, but they will also be having their burgers at the end of the day.

Hopefully a few fish will be landed so in order to store and keep them fresh for the journey home please pack an **old newspaper, a couple of plastic bags plus a good sized cool bag** if you have one.

We aim to be back at school around 5.30 pm.

Many thanks

Mr Duckett
