To all parents

Please be aware that we have had notification of head lice once again. We should be most grateful if you would check your son's hair and treat as necessary. There are helpful hints on treatment on the internet.

The latest notification of lice came from a parent whose son has been re-infected several times. Even if you do not think your son has headlice, please do check his head (and other family members) thoroughly so the problem can be eradicated.

Thank you so much for your cooperation.
