Dear Parent/Guardian

U16 RUGBY 2015/16 - Kit

I am happy to write to you with details regarding U16s kit for next year. There are two items I would like to inform you of, neither of which is compulsory.

The first item will be ordered through school and has been chosen by the boys. It is a Canterbury Challenge Hooped Jersey for training, which will double as the U16B playing shirt. It will have the school badge embroidered on the left breast and initials on the right sleeve, with a number on the back. It is available to all U16 rugby players and has been a very popular addition to school kit, especially with the increase in training over the next few seasons.

The second item which is available from Michael Hope is a Canterbury Classic Contact Top which will again be in blue with and is water proof with taped seams. It will have the school badge embroidered on the left breast and initials (e.g. DG) on the right. This again is available to all and maybe worn for training and matches as well as other BWS sporting events as a warm up top.

The boys will also need navy shorts as previously worn and the A team will also need plain navy blue socks. Michael Hope does a range of clothing on his website www.michaelhope.co.uk just go to Schoolwear, enter Bishop in the search bar and the rugby shop will come up. The shorts may be purchased here if a new pair is needed, along with other new items. The boys are in charge of organising their socks which can be sourced from any sports shop.

If boys wish to try items on for size please ask them to come and see me, I have included a Canterbury size guide at the bottom of the returns slip. Please complete the reply slip below and return it in an envelope marked with your son's name, form and visit details. Your son should return the order direct to Mr Demain-Griffiths. The deadline for replies is Wednesday 15 July 2015.
