

HELP REQUIRED!

Volunteer native Spanish speakers of any Spanish speaking country needed to help us provide conversation practice with groups of 2 or 3 students during the school day.

We will provide advice, all necessary materials and training if needed.

We need help with classes in years 10-13 (girls and boys in years 12-13, otherwise just boys).

Thursday mornings between 9 and 10.20 am would be an ideal time for the A level students, but other times to suit you could be considered.

All you need to do is to help them practise their speaking on the prescribed topics for the GCSE and A level, at a time that suits you and for as many hours as you are able to do/would like to do, during the school year.

You will be able to work with students in the classroom with the teacher, or with a group of students in an adjoining classroom.

We would be so grateful for any offers – it would really help with their confidence in speaking Spanish.

Please contact Mrs Frances Matthews (Teacher of Spanish)

We would be happy for you to come in and meet us or to meet the students if you would like to find out any more, or otherwise please just e-mail for any further information.
