

### **Shoeboxes for the Trussell Trust**

Over the next three weeks BWS will be collecting shoeboxes for the annual Trussell Trust Christmas Appeal. As you may know, these gifts are distributed amongst those in Eastern Europe who otherwise would receive nothing this Christmas, and can have a transforming effect on lives of great difficulty and hardship.

Many local churches and schools participate, and you may already be committed elsewhere! If, however, you would like to donate a box of small gifts, please see the attached leaflet for more details about suggested items etc.

**The shoeboxes will be collected in Chapel**, so please ask your son to take his there, and I hope by the deadline of **Wed 25<sup>th</sup> November** we shall have accumulated a large number. Thank you very much for your support.
