11 November 2015

Dear Parents / Guardians of Year 7 & 8 Boys

The Mathematics Department has the opportunity to purchase approved scientific calculators at less than the current high street price. The chosen model is the Casio FX83GT PLUS, which is an excellent calculator and more than adequate for study to GCSE and beyond. We are able to sell these for £7.00.

The reason we encourage the use of this calculator by all boys is to ensure that we can adopt a consistent approach when teaching them how to use the calculators functions.

Calculators can be collected from the School Shop from 7th January 2016.

Payment Deadline: Dec 4th 2015

Online: Via www.scopay.com. If you need a link code please email amh@bws.wilts.sch.uk

(link code only needed for online set up)

Yours faithfully

Mathematics Department.
