A 15 year old boy from Argentina is visiting us later this month with a small group of students and his teachers. He would like to stay with a British family and to attend lessons in BWS in the morning during the week. Trips and activities are organised for him in the afternoons and at weekends.

He would need food and board but would pay fares to school and all other expenses. He would not require any special treatment, just the opportunity to practise his English and to experience daily life in the UK.

Please email me if you are interested and I will send you further details.

Many thanks

Frances Matthews

Teacher of Spanish/Argentinian Exchange Co-Ordinator
