Dear Parents/Guardians

## True Adventure Expedition to Cambodia 2017

I am writing to inform you of the next overseas expedition.

Today students would have heard about our planned expedition trip with True Adventure. They organise life-changing expeditions around the world for young people. What sets this apart from other school trips is that the students will have the added responsibility of fundraising to secure their place on the team and they will lead the expedition whilst in Cambodia.

I am very excited about the opportunity this will give students to do something really unique that will make them stand out from the crowd. The expedition experience will provide them with a wealth of new skills which they will find invaluable in school, at university and in the world of work.

I would like to invite you to join us in school for an information evening, presented by True Adventure, where you too will have the opportunity to hear all about the amazing challenges that your son will have the chance to experience on our own school expedition. The information evening will be held on: Thursday 14 January 6:30pm in the Chapel.

It will be an informative and interactive presentation with plenty of opportunity for questions, along with images of the expeditions and what it will be like to take part. I am very much looking forward to the evening and I hope you are able to join us, will be inspired and help to get our expedition off the ground. There will be lots of information on fundraising, what they will do whilst overseas, the safety and back-up on the expedition and the benefits they will derive from taking part.

I do hope you and your son are able to come along. I am sure you will find it interesting and also see why the school values the outcomes of programmes like this.

Yours sincerely

Natalie Steer
