Dear Parents/ Carers

South Wilts Academic Support Evening – Wednesday 10 February

I am writing to confirm that the school's 'Academic Support Evening' will take place on Wednesday 10 February between 5pm and 7.30 pm. This is an event where individual students (and their parents/ carers) will be invited in, either by the pastoral team or by their subject teachers, where a specific concern (for example about their progress in a subject) has been identified. Where a student has been invited to attend the evening, parents will be advised by their teacher(s), no later than Friday 5 February. We are sorry that this means there may be short notice but it allows us to reflect fully on the results of the mock exams and we would be grateful if you could make yourselves available if it is suggested that your son would benefit from a meeting with one or more members of staff. As with normal Parents' Evenings, your son will make an appointment with the relevant member of staff.

This evening is important as it allows us to have a very detailed conversation with you and your son, and make a plan of how to tackle the particular concern. In holding the evening in February, we hope that students will be given sufficient time to work on any concerns which have been identified, in time for the summer exams.

Should you have any questions, please do not hesitate to contact me at school.

Yours sincerely

Dan Bishop
Director of Sixth Form
