Dear Parents/Guardians

2016 Student and Parent Surveys

As part of our endeavours to gauge and enhance the quality of what we offer to your son/s and to yourself, we will once again be conducting an electronic student and parent/carer questionnaire survey.

Boys in Middle School and Year 12 will complete the survey before Easter and boys in Lower School will complete it after Easter. All student surveys will be completed online in school during registration, apart from Year 7 who will complete their surveys at the beginning of one maths lesson. All surveys should only take a few minutes to complete and are completely anonymous.

A Parent/Carer Perception of School survey will also be available for you to complete online after Easter and I will contact you again nearer the time with further details on how to complete the survey via the internet. I would be most grateful if you could participate in the survey.

Yours sincerely

S D Smallwood
