Dear Parents/Guardians

Are you interested in training to become a Secondary School Teacher?

As you may be aware, Bishop Wordsworth's School has linked up with several other secondary schools in the area to form a consortium called '**SUPA Salisbury**' whose goal is to make Salisbury a centre of excellence in the delivery of teacher training. This is really important to us because it means we can choose the very best talent and develop them into teachers. Being able to choose who we train as teachers helps us in delivering the best outcomes for the students at Bishop Wordsworth's School.

We have vacancies now to start training from September 2016 and we would be very interested to hear from you if you are thinking of becoming a teacher, or know someone who is. We're looking for people who have (or will have) a degree, have a passion for teaching and want to inspire young people to fulfil their potential. In particular, the specific subjects that we are seeking are English, Maths, Modern Foreign Languages, Science, Computer Science and Geography.

If you are interested in finding out more about this training opportunity please do contact Mr Jeremy Rogers (Assistant Headteacher) via jpr@bws.wilts.sch.uk. Alternatively, there is a '**Train to Teach**' **Coffee Morning at The Stonehenge School** taking place on **23 March 2016 between 10am and 12pm** (see attached letter from Jo Hockley of Stonehenge School) where SUPA Salisbury will be represented. Feel free to come along to this event and find out more about what 'SUPA Salisbury' has to offer.

You can also view helpful information and advice on the BWS website under 'Teacher Training' - http://www.bws-school.org.uk/main/Teacher_Training

I hope this will be of interest to you or someone you know and look forward to hearing from you.

Yours sincerely
