21 March 2016

Dear Parents/Guardians

BWS/SWGS Sixth Form Geology Field Trip to Iceland – Leaving Sunday 27 March 2016

With a little under a week to go I hope everyone is excited about the forthcoming trip, and ready for the cold weather!

I wanted to use this final opportunity to remind you of a few key procedural points;

- All students will be departing from BWS (Exeter Street entrance) at **2.15 AM on Sunday 27 March**. Please remember that this is also the start of daylight savings when the clocks go **forward**. I would like to suggest that students be present at BWS from 2.00 AM so that we can make a prompt departure with time to load the vehicle.
- The current forecast, although rather unreliable so far in the future, is looking like it should be cold and dry. Even if the weather does take a turn for the worse many layers with an outer waterproof will be essential.
- Finally if you son/daughter has bought new boots for the trip then it would be advisable to break them in over the coming week. Blisters can be a real dampener.

Please remember you can keep up to date with our activities via the @BWSTrips twitter feed.

If you have any final questions please do not hesitate to contact me at mxt@bws.wilts.sch.uk, and I look forward to seeing you bright and early on Sunday!

Yours sincerely

M Thorne
Head of Geology
