I am writing to outline the opportunity for the purchase of the new OCR A Level PE Textbook which can be purchased through school at a discounted price.

The textbook has been written specifically for the new course and includes all the content for the first year. These are superb textbooks which should be the key resource used as they contain the depth and detail required to enable access to the work at the highest of grades.

These books can be purchased at a reduced price of £21 (RRP £25.99) each.
