Dear Parent/Guardian,

AQA GCSE Science Revision Book and Workbook

I am writing to outline the opportunity for the purchase of an excellent GCSE Science revision guide and Exam Practice Workbook which can be purchased through school at a discounted price for the AQA courses that boys are studying in Yr10. These books cover the work covered in Biology, Chemistry and Physics.

Boys in year 10 already have superb textbooks which should be the key resource used as it contains the depth and detail required to enable access to the work at the highest of grades. However, at times throughout the course, the boys are set end of module tests and exams and we recognise that boys find these revision books helpful.

These books can be purchased at a reduced price of £6 (RRP £9.95) each.

GCSE Revision Guide - £6

Exam Practise Workbook - £6
