Dear Parents / Guardians

Re: Lulworth Geology Trip

The Geology Department is planning to organise the following visit for Year 12 pupils to Lulworth Cove and the surrounding area. This trip will give your son their first chance to experience geology as a field subject and will be an excellent opportunity to reinforce skills from their classroom study. As such we expect your son to be in attendance.

| Date | Visit to | Contribution | Details of visit | Times | Requirements |
|--------------------|-------------------------------|--------------|--|--|--|
| 18.10.16 (Tues) | Lulworth and surrounding area | £13.00 | Geological field trip to Lulworth, Durdle Door and other sites | 08.45 departure. Return approx. 16.30 | We will be outside from between 10AM to 3PM and waterproofs are mandatory. Sturdy footwear appropriate for a day hiking is also required. Please bring a clipboard, pencils and other stationary. Packed lunch for a day's activity. |

Deadline for payment: 7 October 2016

Online: Via www.scopay.com. If you need a link code please email amh@bws.wilts.sch.uk

No pupil will be barred from the trip on account of non-payment, but if total payments do not cover the cost of the trip then regrettably it will have to be cancelled.

Your son will be covered by the school's insurance during this trip; a copy of which is available on the school website. Please ensure that we have current emergency contact details and details of any medical conditions and that your son takes all necessary medication with him on this trip.

Yours faithfully

M. Thorne

Head of Geology

Geology Department
