Dear Parents/Guardians

Year 10 Information

I am writing to confirm the changes to the timing of Year 10 examinations and reporting.

- Parents' Consultation evening has been brought forward to Wednesday 18 January 2017.
- Examinations will take place from Monday 27 March - Friday 31 March 2017 which is the penultimate week of the Spring term. Boys are likely to receive feedback for some subjects prior to the Easter Break.
- We are aware of the timing of the D of E training day on Saturday 25 March and it will affect a large proportion of boys in Year 10. However, we believe that if the boys are well prepared in the weeks leading up to the exams then this should not impact on their performance. The events of the days training should not be too strenuous and should be a welcome break away from study for a few hours.
- Revision based homework will be set during the two weeks leading up to the examinations.
- A full written report, based on examination results and the year's work to date, will be issued on Friday 12 May. This will be the final report for this academic year.

We will, of course, continue to monitor pupils' progress. As always, if you have any concerns about your son's progress, please don't hesitate to raise these with the subject teacher or your son's tutor.

Yours faithfully

Mrs M J Jenner
Head of Middle School
