

No need to look any further if you're searching for the perfect BWS umbrella for yourself or as an ideal Christmas Gift!

Umbrellas make great presents for all the family. Practical and useful, the umbrella is the ideal gift for those "difficult to buy for" people in your life! Even better – you can buy a Bishop Wordsworth's School umbrella.

We only have a handful left so if you would like to buy one, or two, to keep yourself or your family and friends dry on any touchline, while walking the dog, or generally just coping with the rain and snow ahead, let me know and we'll put one aside for you immediately. They are just £25 each, super sturdy, large enough to keep a family dry and importantly BWS blue with the school logo.

An exclusive – designed by parents and the school, this is a one-off offer, fund raising for our Year 11 and Year 12 BWS Australia and Hong Kong Rugby Tour 2017.

Just drop me an email, janeyk70@yahoo.co.uk, to let me know how many you would like and we'll be in contact. Buy now while stocks last – there aren't that many left!

Best regards
