Head Master: Dr S D Smallwood BSc (Hons) PhD NPQH

Dear Parents / Guardians of Year 7 & 8 Boys

The Mathematics Department has the opportunity to purchase approved scientific calculators at less than the current high street price. The chosen model is the Casio FX83GT PLUS, which is an excellent calculator and more than adequate for study to GCSE and beyond. We are able to sell these for £7.00.

The reason we encourage the use of this calculator by all boys is to ensure that we can adopt a consistent approach when teaching them how to use the calculator functions.

Calculators can be collected from the School Shop from the end of January 2017.

Payment Deadline: Friday 13th January 2017

Please pay online: Via www.scopay.com. If you need a link code please email amh@bws.wilts.sch.uk (link code only needed for online set up)

Yours faithfully

Mathematics Department.
