Dear Parents/Guardians

This summer, there will be an exciting development in the history of Bishop Wordsworth's School. This June, we will be launching a Foundation which will bring together alumni young and old, from the local area and from around the world.

As a part of the launch of this new Foundation, we will be organising a diary of high-end events throughout the year to include dinners, social and networking events, sporting events, talks, wine tastings, and a range of cultural events. They will take place in Salisbury and London, as well as possibly in the North of England.

I am writing to you for two reasons: The first is to ask if there is any parent or company that would be willing to design us a new Foundation website which would be contemporary, stylish and inspiring. Alternatively, is there any local company that would sponsor the professional creation of a new website? In either case, we will ensure you feature as a Sponsor on this new website and at future events.

The second reason for writing is to ask any parents if they feel they have anything they could bring to our new Diary of Events. Do you have a wine business, could you help with an auction, do an interesting talk, provide a unique venue, advise on a golfing weekend, or indeed collaborate on any other enticing events which might appeal to BOBs (Bishops Old Boys). I welcome any suggestions and ideas.

More details of the Foundation will follow soon but please do feel free to call or email if you would like to discuss any of this further.

Yours faithfully

Stephanie Atwood-Swann
Alumni Development and Events Manager
