BWS has a proud history and tradition of sporting provision and plays a central role in the school's aims to encourage all our pupils to develop their potential by setting themselves the highest standards of excellence and achievement with integrity and confidence. The school's broad range of sporting activities provides students with a well-rounded, balanced education, catering for a wide range of talents and interests.

The current vacancy is for two Gap Year students whose first sport is rugby or football to assist with the coaching of all age groups in these and other sports. You must be enrolled, or have recently completed a degree (or recognised alternative) with either a specialism directly relevant to sport/physical education or have played sport to a high standard. You will be immersed in the life of a busy school with a salary package that has the option to include accommodation as well as breakfast and lunch during term-time, but more importantly offers a fantastic opportunity and fulfilling experience.
