Dear Parents / Guardians

Re: Yr12 Geography Fieldtrips to Salisbury and Studland

The Geography Department is planning to organise the following visits for Year 12 pupils as part of their A Level Geography course. All A Level Geography students are required to undertake a minimum of four days of fieldwork – two have already been completed in Snowdonia in March. These final two days will give your son the opportunity of collecting data to be used in his Independent Investigation. This is the Non-Exam Assessment part of the course (Component 4) and is worth 20% of his final mark. He is currently planning his own investigation based on Geographical aspects of either Salisbury or Studland – and will help the other students to collect data for their investigation at the other location. Both fieldtrips will help him to develop his understanding of the course irrespective of which location he is investigating.

Date	Visit to	Contribution	Details of visit	Times	Requirements
Wednesday 28 th June	Salisbury city centre	Free	Students will collect data in and around Salisbury's city centre	0900-1600	Money for lunch
Monday 3 rd July	Studland, Dorset	£10.50	Students will collect data in the sand dunes	0830-1700	Packed lunch

Deadline for payment: 23 June 2017

Please pay online: Via www.scopay.com. If you need a link code please email amh@bws.wilts.sch.uk

No pupil will be barred from the trip on account of non-payment, but if total payments do not cover the cost of the trip then regrettably it will have to be cancelled.

Your son will be covered by the school's insurance during this trip; a copy of which is available on the school website. Please ensure that we have current emergency contact details and details of any medical conditions and that your son takes all necessary medication with him on this trip. Please contact Mrs Sarah Hayward sah@bws.wilts.sch.uk to update your son's information.

Yours faithfully,

Andy Harmsworth

Assistant Head
