25 May 2017

Dear Parents/Guardians

With the new rugby season a little over 3 months away and the small matter of a tour in between, preparations are well underway for another successful season.

I write to let you know of the basic outline for senior rugby's pre-season which run for four days from the **Tuesday 29 August** through to **Friday 1 September** and will culminate in the South Coast Kings Rugby Tournament on **Sunday 3 September**.

The timings of each day and activities are yet to be finalised, but to cover the cost of pre-season I am asking each player to pay £25, included in this will be a personalised training top.

PAYMENT OPTIONS

Online: Via www.scopay.com. If you need a link code please email amh@bws.wilts.sch.uk.

Deadline for Payment: Friday 30 June 2017

The boys already have gym programmes that will be adjusted post exams and again post tour, as well as the running work they have been doing and it will be essential this is maintained and built upon throughout August when we do not have contact time until the end. If they can get a month's gym membership this would be beneficial, alternatively all exercises can be done as body weight exercises.

Last season was fantastic and I want to build on this as we move forward with a new generation of BWS Rugby player, building their own legacy.

Best wishes

Richard Demain-Griffiths
Director of Sport/MiC Rugby

THE BEST DEFENCE

Against oral-facial injuries and concussion in rugby and other contact sports.

OPRO has been providing a unique dental service to schools and clubs for over 12 years.

The School has arranged for OPRO to come and take dental impressions of all pupils who would like to have a custom-fit mouthguard.

The OPRO dental surgeon will be visiting the school on:

Tuesday 12th
September at
09:00

Click here for the full range and to order
www.opro.com

THE OPRO MOUTHGUARD

- Wide range of colours and designs
- Individually shaped for comfort
- Excellent retention and superb grip
- Suitable for wearers of fixed braces
- Includes dental warranty
- The first mouthguard to carry CE accreditation

Individually shaped to wearer's mouth, the detailed imprint of the teeth means OPROs grip tightly.

Laminated layers - extra protection and uniformity.

Specially shaped in palate to improve breathing and speech

CE Mark

Personal name and school/club name in every OPRO
