

BISHOP WORDSWORTH'S SCHOOL FOUNDATION

26th May 2017

Dear Parents,

Do you have a son, father, grand-father, uncle or cousin who attended Bishop's? Or do you know a neighbour or a friend who came to the school?

Next month, the BWS Foundation will be officially launched on 22nd June with a very special event in London to which all alumni, ex-staff, governors and supporters of the school are invited. However, we are having trouble tracking them all down, especially those who don't use social media or email. If you know someone who came to the school, please can you invite them to contact us quickly. We'd very much like to hear from them and to invite them.

Next month, we will also be announcing a diary of events for BOBs (Bishops Old Boys - our new name for alumni!), the first of which will be a 'Lions Brunch' with live Sky Sport in a marquee at the school on Saturday 8th July. Follow the Foundation on social media to read more.

I wish you all a happy half-term!

Stephanie Atwood-Swann
