# Bishop Wordsworth's School Parents' Association

Dear Fellow Dad,

I was lucky enough to attend last years event with Football Pundit Steve Claridge and had a great time with my Son.

This year I'm helping to organise it and feel we're equally fortunate that we have Hollywood Stuntman Glenn Marks as our guest speaker. He'll be telling us how falls from 190ft, multiple car crashes, fire burns, fighting and being run over are all in a day's work! He's best known for working on Lock, Stock and Two Smoking Barrels, The Theory of Everything and both the Kevin Costner and Russel Crowe versions of Robin Hood. He's worked in the industry for many years and his filmography on IMDB is mighty impressive. Explanations of how stunts are created with famous You Tube clips are bound to be a hit with your son and hopefully you too. Glenn now lives in Wiltshire with his family – including Bertha, their very own armoured tank!

We can accommodate up to 100 Fathers & Sons at this event, so please act quickly to be sure of securing a place (payment to reach us by 17th June).

Many thanks for your support and we look forward to seeing you on the night.
