Dear Parents/Guardians

## **Dangerous Behaviour at the Railway Station**

We have been contacted by railway station staff, informing us that Bishop's boys have been standing forward of the line on the platform as trains approach and making a game of touching the train whilst it is still moving.

Station staff have spoken to the students who have been observed behaving in this way, but I feel that it is important to let parents know as well.

If your son catches the train to school, please remind him of the importance of maintaining a safe distance from the platform edge and not engaging in silly or risky behaviour when the train is approaching.

Yours sincerely

S D Smallwood  
Head Master
