

LEAVERS' BALL 2018

To all Year 13s at BWS and SWGS

As some of you may know, the Friends of South Wilts organise a Leavers' Ball every year to coincide with the end of A levels. We have an army of volunteers who work to create a memorable evening for you to say goodbye to friends and staff as you move on to the next phase in your lives.

The date for the 2018 Ball is **Friday June 22nd**.

We know that there are one or two exams early the following week, but experience tells us that if we delay the date, then many of you will be on a well deserved holiday.

Typically we sell 300-350 tickets, so most of the year group choose to attend. Feedback in past years has been enthusiastic.

The venue is the Salisbury Arts Centre.

Ticket price will be £25. We have managed to hold it at this level for a number of years despite rising prices. This will include food, 2 glasses of Cava, plus the opportunity to have a professional photograph taken. There will be a casino, a photo booth, a disco and, depending on the number of tickets sold, other activities.

Later on this term you will be asked to vote for the theme of the evening as well as choice of food.

We very much look forward to creating a night to remember...

Sally Walden
