Dear Parents/Guardians

Arkwright Engineering Scholarships

BWS is an Arkwright affiliated school which means that your son has the opportunity to apply for an Arkwright Scholarship. Your son has expressed an interest in applying for a scholarship and I will be supporting him through the application process.

If you need any information including the criteria for application then please do look at the Arkwright website <http://www.arkwright.org.uk>.

The aptitude test is calendared for the **afternoon of 6 February 2019** and will take place within school with an entrance exam cost of £40.00. Past Papers can be found: <http://www.arkwright.org.uk/how-to-apply/aptotude-exam>. We would need payment by **17 January** to enter your son for this test using the payment details below.

The final entry deadline for submissions set by Arkwright is **24 January**. Whilst we need to facilitate your son being able to apply, the application itself can only be submitted by students themselves, and can be undertaken as soon as they have their login next week. Once your son has submitted his application then we will be able to add in supporting teacher references. We will be encouraging all boys to submit their application by **17 January** to enable us to have a little more time to produce quality references.

PAYMENTS:

Online: Via www.scopay.com. If you need a link code please email mxl@bws.wilts.sch.uk

Yours sincerely
