10 January 2019

Dear Parents/Guardians

Year 11 Parents' Evening – Science Session –Thursday 24 January 2019

The Year 11 Parents' Evening will give you the opportunity to meet individually with each of your son's science teachers. In addition, on the same evening there will be a Parent Information Science Talk between 4.30pm and 4.50pm by myself and Dr Baker. This session will take place in the Chapel. This session will outline the following:

- the features of the remaining weeks of science lessons leading up to the AQA science examinations
- how parents can support their sons to achieve their potential in the AQA examinations
- what the boys themselves should be doing to take responsibility to ensure that they achieve their potential.

Parents will be given an information sheet outlining useful information, although if you are unable to attend the session this sheet can be obtained from your son's science teacher during your consultation and will also be available on the website.

I look forward to meeting you on 24 January.

Yours sincerely

Mr Daniel G Brown
Teacher of Biology
