Dear Parent/Guardian,

Duke of Edinburgh Gold Residential Opportunity

I would like to advise you of a Gold Residential opportunity that the Wiltshire Outdoor Learning Team is running during the Easter holidays.

Relax and Revise Gold Residential

Choice of two dates: 8–12 April or 14-18 April 2019 - Cost £295

This residential is for those who want to enjoy a Gold Residential which balances rest and fun with the need to complete academic work or prepare for exams. It will fulfil all the criteria of the DofE Award Residential section for Gold participants and will be a dynamic, fun and interesting experience for people who love being in the outdoors!

The Residential will feature three elements:

RELAX: Our laid-back staff create a relaxing atmosphere for the DofE participants, and offer a great balance of fun activities and restful chill-out time.

FUN: Along with initial team building activities to help everyone settle in, afternoons and evenings will involve fun outdoor adventurous activities including archery, climbing, tarzan trail (high ropes course), and canoeing.

WORK: There will be 3 morning sessions at a study centre where participants can choose to undertake exam revision or catch up on homework, coursework or assignments. These sessions are designed for students to work independently, however a qualified teacher will be in attendance in case you need any advice or support.

Please see the flyer giving full details of the course on the next page, for booking instructions please email dofe@wolt.org.uk.
