Dear Parents/Guardians

## **RE: SKI TRIP – Saturday 6 April – Friday 12 April 2019– Montgenevre**

Please find below the details relating to our departure and arrival home for this year's ski trip. I would also like to notify you of some minor changes which have been imposed as a result of the Italian Lift Operators, though those of you that were able to attend my meeting will already be aware of this situation.

The Italian Lift operators have closed our resort due to 'volume' which is a knock on from a mild season. We will be skiing all week in Montgenevre, France which is a 30 minute journey by coach; this is rather disappointing and frustrating but completely out of my hands. Montgenevre is however the biggest and best region within the Milky Way area and was originally a perk of the 6 day lift pass which allowed us to ski the area for one day. As it turns out we will be skiing in this first class area all week. Thank you for your understanding regarding this change and all other aspects of the trip are the same as previously indicated.
