Dear Parent/Guardian

RE: Year 7, 8 and 9 Revision Booklets for End of Year Mathematics Exams

The Mathematics Department have put together a set of four revision booklets to help the boys structure their revision in preparation for their End of Year exams which are during the week commencing Monday 13 May.

There is one booklet for each of the 4 areas of mathematics – Number, Algebra, Shape and Space and Data. The most effective way to revise Mathematics is to complete questions and these booklets each contain plenty of these to form the focus of your sons' revision.

We will be providing each boy in Years 7, 8 and 9 with a set of these 4 booklets and would therefore appreciate a **£2.50 contribution** towards the photocopying costs (of almost 1800 individual booklets!!). This voluntary payment can be made via the school on-line payment system WisePay.

Many thanks for your continued support in your son's mathematical education, and we wish him luck with his forthcoming exams.

Payment:

To pay please follow the WisePay link shown below. If you have any issues accessing WisePay please email Trips@bws.wilts.sch.uk, Parents/Guardians who may find it difficult to meet the deadline for payment should contact the Finance Office on ext 260.
